Spiky massage ball 8 cm - yellow

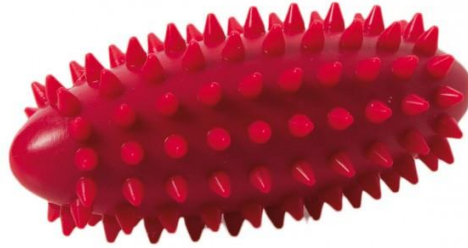

More relaxation and wellness with the massage ball from TOGU: the spiky massage ball for all applications. The air-filled massager is the optimal device for gripping and strengthening exercises and is suitable for reflexology. The durable material Rulon is odourless, skin-friendly, latex-free and equipped with a needle valve. This means that the ball can be easily adjusted to your individual needs with an optionally available ball pump.

Due to the user-friendly, vascular-friendly and versatile handling, the massage ball is suitable for use at home or in a group, e.g. back, senior or general fitness courses.

The Ball enables a wide range of applications for young and old through a selective pressure massage. Due to the nubs, the massager has a particularly blood circulation-enhancing and relaxing effect. The Spiky Ball is suitable for treating fasciae or for effective, selective massages, e.g. for the neck and shoulders, legs and feet, back, latissimus or hips. In addition, the pleasant Senso pimples stimulate the perception.

Massage tense body areas with circular movements and vary the pressure individually.

Spiky Massage Ball long 11 x 5 cm - purple

The Senso Hand Trainer - made in Germany - from the sports ball series "Noppenball lang" is suitable for strengthening the finger, hand and forearm muscles. It stimulates the blood circulation and can therefore help especially against cold hands. The pleasant Senso pimples stimulate the self-perception and the ergonomic shape makes the application easier. The Senso Hand Trainer can also be used for rolling exercises as a massage tool for yourself and others. The material Rulon is very hard-wearing, odourless, latex-free and made of 100% recyclable plastic.

Due to the elastic material it can also be pressed well and can therefore strengthen the hand muscles. For a foot massage the Hand Trainer light can also be placed on the floor and simply rolled barefoot.

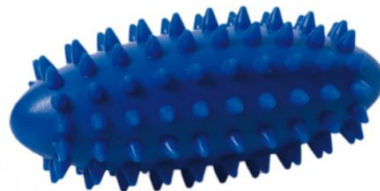

*If you have any complaints, ask your doctor or physiotherapist for advice before starting training.

Available in two versions and six colours:

Senso Handtrainer light is with air filling and smaller (approx. 7 x 4 cm)

Senso Handtrainer plus is filled with additional weight of approx. 250 g each and is larger (approx. 11 x 5 cm)

Spiky Massage Ball long 11 x 5 cm - blue
